1913 The Eve Of War

"1913: The Eve of War" by Paul Ham presents this information in a very crisp style with numeric details about the relative strengths of the opposing forces and their capabilities. His discussion of the irrelevance of the pre-war Belle Époque attitudes and preoccupations due to the limited audience impact is somewhat distracting and unnecessary.

Literary Muster – 1913: The Eve of War. Was European / Global war in 1914 inevitable? This is the question author/historian Paul Ham addressees in this provocative, perhaps even controversial short (~83 pages) essay. 1913: The Eve of War is a look at the state of Europe immediately prior the commencement of war in 1914. Little time is wasted and the essay gets straight to the point and gives understandable and believable reasons for why global war broke out in 1914.
