Within this category are lots of genres to choose from to narrow down the selection, such as Self-Help, Travel, Teen & Young Adult, Foreign Languages, Children's eBooks, and History.

Anarcho Syndicalism Theory And Practice

Modern Anarcho-Syndicalism is the direct reaction against the concepts and methods of political Socialism, a reaction which even before the war had already made itself manifest in the strong upsurge of the Syndicalist labour movement in France, Italy, and other countries, not to speak of Spain, where the great majority of the organised workers had always remained faithful to the doctrines of the First International.

ANARCHO-SYNDICALISM : Theory and Practice - Kindle edition ...

Rudolf Rucker's 'Anarcho-Syndicalism: Theory and Practice' is the classic and essential read for anyone interested in the history and basics of Anarcho-syndicalism. Written between the two world wars, but during the Spanish Civil War, the book offers an interesting glimpse into the thinking of the time while offering some very timeless points.

Anarcho-Syndicalism: Theory and Practice by Rudolf Rucker

Anarcho-Syndicalism: Theory and Practice. An Introduction to a Subject Which the Spanish War Has Brought into Overwhelming Prominence is a book written by the German anarchist Rudolf Rucker. Its first edition was published by Secker and Warburg, London in 1938 and was translated from Ray E. Chase. Rucker penned this political and philosophical work in 1937, at the behest of Emma Goldman, as an introduction to the ideals fueling the Spanish social revolution and resistance to capitalism and fasci

Anarcho-syndicalism: Theory and Practice (Working Classics ...

Anarchism is a definite intellectual current in the life of our times, whose adherents advocate the abolition of economic monopolies and of all political and social coercive institutions within society. In place of the present capitalist economic order Anarchists would have a free association of all productive forces based upon co-operative labour, which would have as its sole purpose the satisfying of the necessary requirements of every member of society, and would no longer have in view the special interest of privileged minorities within the social union.

Anarcho-syndicalism: Theory and Practice

Anarcho-syndicalism is a political philosophy and anarchist school of thought that views revolutionary industrial unionism or syndicalism as a method for workers in capitalist society to gain control of an economy and thus control influence in broader society. The end goal of syndicalism is to abolish the wage system, regarding it as wage slavery. Anarcho-syndicalist theory therefore generally focuses on the labour movement.

Anarcho-syndicalism - Wikipedia

'Anarcho-Syndicalism: Theory & Practice - An introduction to a subject which the Spanish War has brought into overwhelming prominence'. There were some private messages about the result. Emma Goldman wrote telling Rocker that she had complained about 'the numerous mistakes' to Warburg, who had, blamed the proof-readers (29 March 1938).

First published 1938 by Martin Seeker and Warburg

The discussion of anarcho-syndicalism itself is good. Although Rocker never quite gives a straightforward definition of this politico-economic philosophy, his demonstration of its practice should make the meaning of this theory sufficiently clear. Rocker also discusses how anarcho-syndicalism successfully was put into practice, most notably in Spain. I only wish Rocker had not been so oblique in defining anarcho-syndicalism and had tackled
