Radio An Illustrated Guide

Radio: An Illustrated Guide is a comic book that explains how to make a radio program. Specifically, it explains how to make the public radio program This American Life. In comic book form, the producers of This American Life explain how to find a story, how to do an interview, how to edit sound, how to write for radio and how to mix a radio story.

Radio: An Illustrated Guide: Abel, Jessica, Glass, Ira ...

Radio: An Illustrated Guide (PDF) Radio: An Illustrated Guide gives you an inside look at how This American Life is made. But even better, it's a step-by-step primer on how to make a radio story. The book includes detail on where we find our stories, how to structure a story, how to do an interview, how to hold the microphone, how to edit sound, how to write a script...really everything you'd need to get started.

Radio: An Illustrated Guide is a comic book that explains how to make a radio program. Specifically, it explains how to make the public radio program This American Life. In comic book form, the producers of This American Life explain how to find a story, how to do an interview, how to edit sound, how to write for radio and how to mix a radio story. It also explains how the narrative structure of a radio story works, and how it's different from other kinds of stories.

Radio: An Illustrated Guide by Jessica Abel

What is Radio: an Illustrated Guide? It's a 32-page comic on the process by which This American Life gets made. Although it's now 13 years old, it's apparently still pretty accurate, with some tech updates, of course. It has a behind-the-scenes journalistic aspect, an essay-like, this is how we think aspect, and an instructional, DIY aspect.
